

# RELIABLE WATER CHEMISTRY CONTROL

# BECSys2

- Versatile** Suitable for pools, spas, water parks, fountains, zoos and aquariums
- Efficient** Reduces chemical usage, improves water quality and assures compliance
- Complete** Standard configuration includes sensors, flow cell and advanced control algorithms
- Safe** Standard safety features include flow switch, flow restored delay, feed limit timers and visual alarm indicator

- Reliable** 2 year electronics / 2 year sensor warranty provides worry-free operation
- Easy-to-use** One-touch Set Point and Calibration access, and a simple menu system for advanced features
- Supported** Factory-trained service and support

**BECS**  
TECHNOLOGY

## RELIABLE WATER CHEMISTRY CONTROL

### A Long History of Reliability

- The BECSys2 design has been controlling pools for over a decade
- 2-year electronics warranty
- Fully isolated pH and ORP readings
- Factory-trained service and support

### Control Features

- Programmable time-based proportional or on-off
- Front panel Chemical Feed indicators
- Super-bright red Alarm indicator
- Selectable chemical feed-limit timers
- Dual-setpoint booster mode

### A complete solution

Every BECSys2 comes complete with:

- PVC machined flow cell
- BECSys pH and ORP sensors
- flow switch
- flow cell pressure gauge
- isolation valves
- sample tap

### Available Derived PPM Displays

- 0.2 - 3.0 PPM Scale
- 0.6 - 6.0 PPM Scale
- No PPM Scale

### Product Certifications

- ANSI/UL 61010-1 (ETL Listed)
- CAN/CSA C22-2 #61010-1 (ETL Listed)
- CE: EN 61010-1, EN 61326

### Advanced Sensor Technology

- State of the art design
- Inorganic electrolyte (32ml)
- 2-year warranty

### About BECS Technology

BECS Technology, Inc. has been designing and manufacturing the industry's most reliable and innovative water chemistry controllers for over 20 years. All systems are designed and manufactured in-house at our facility in St. Louis, Missouri. Visit us online at [www.becs.com](http://www.becs.com).

**Designed and Manufactured in the USA by:**

**BECS Technology, Inc.**

9487 Dielman Rock Island Industrial Drive

Saint Louis, Missouri 63132 USA
