

clear

COMMERCIAL AF
Auto-Foal

**NATURAL
CHEMISTRY**®
Performance - GUARANTEED

03560 - 5Gal

PRODUCT FEATURES:

- All natural concentrated, (yet affordable) Chitosan based formula
- Clear can be hand added directly to the pool or auto-dosed, cannot be overdosed

BENEFITS:

- An environmentally friendly clarifier that is extremely effective in clarifying large bodies of water

Directions

Apply **Clear** at recommended dosage rate per gallons of pool water across pool water surface, concentrating on deep water areas. Apply **Clear** directly onto surface until you reach suggested amount of ounces per gallons of water in pool.
