

# spa perfect

COMMERCIAL AF  
Auto-feed

**NATURAL  
CHEMISTRY**®  
Performance - GUARANTEED

04100 - 5Gal

## PRODUCT FEATURES:

- 250% stronger than our original formula
- Specifically formulated for commercial hot water environments with high bather loads
- All natural, harmless and non irritating to people

## BENEFITS:

- Broad spectrum enzyme formula powerfully biodegrades contaminants
- Reduces foaming, waterline ring, clogged filters, chloramines and chemical odors, eye irritation and cloudiness

### Directions for use:

Use 1 oz. per 100 gallons of water per week (80mL per 1000L).  
For best results, feed small amounts multiple times per/day with  
Natural Chemistry's Automatic Dosage Dispenser.
