

Changes made to the ADA Regulations as of July 23, 2010....

Attorney General Eric Holder signed
the following final revisions to the
Department's ADA regulations on
July 23, 2010:

Sections 242, 1009

Swimming Pools, Wading Pools, and Spas

*Accessible means of entry/exit are required
for swimming pools. Such accessible means
of entry include a pool lift or sloped entry, and
either a transfer wall, transfer system, or
pool stairs. Wading pools must provide a
sloped entry, and spas must provide a pool lift,
transfer wall, or transfer system.
Wave action pools, leisure rivers,
and sand bottom pools where user access
is limited to one area shall not be required
to provide more than one accessible means
of entry, either a pool lift, sloped entry,
or a transfer system.*

These new rules apply to:

- state and local governments under title II
- public accommodations and commercial entities covered by title III

These new rules will take effect

January 26, 2011

and compliance will be required by

January 26, 2012.
